IV Drips

STRESS RELIEF

2,100

A multivitamin and mineral combination with powerful antioxidant properties aimed at reducing oxidative stress and inflammation

MULTIVITAMIN + IRON BOOST

2,100

Helps your body to produce red blood cells and keep your nervous system healthy.

LIFE SUPPORT

2,100

Carefully designed for those with diabetes and those with a high risk of developing diabetes. This infusion acts as a powerful antioxidant whilst providing the most essential supplementation to prevent certain diabetic complications.

POST GYM RECOVERY

2,100

An electrolyte rich solution containing antioxidants and amino acids to boost muscle growth, stimulate metabolism and increase energy levels

WELLWOMAN BOOST

2,100

Designed to support hormonal balance and assist with symptoms pertaining to imbalance

FOUNTAIN OF YOUTH

2,100

A blend of minerals, nutrients and antioxidants to promote collagen production, hydrate and minimize inflammation to achieve an overall more youthful appearance

GUT NURTURING

2,100

An electrolyte balanced solution delivering essential vitamins and amino acids required to help heal intestinal issues resulting in decreased inflammation, improved gastrointestinal symptoms and improved absorption.

HAIR HEALER

2,100

An infusion packed with B vitamins and supporting minerals essential for healthy hair growth. Essential support for those with initial signs of hair loss

IMMUNITY DEFENSE & HYDRATION

2,100

An electrolyte balanced solution containing powerful immune-boosting nutrients and minerals

LIVER CLEANSE

2,100

An infusion created to detoxify and support your liver. A powerful combination of antioxidants and nutrients aimed at reducing oxidative stress and increasing liver efficiency.

FORGET ME NOT (MEMORY BOOST)

2,100

An infusion designed to target mental fog and declining cognitive function. This blend of brain boosting nutrients will enhance your memory, keep you focused for longer and enhance overall mental wellbeing.

AEON RECOVERY

2,100

A well-balanced infusion containing essential vitamins required for achieving optimal levels to ensure effective cellular functioning. Ideally for people who had surgical procedures or injury recently
